

▶ What is TellServiceMaster ?

ServiceMaster Clean Contract Services is committed to excelling with our customers and delivering best in class service.

To facilitate this, we've implemented **TellServiceMaster**, a unique customer feedback tool that makes it quick and easy for you, our valued customer, to tell us how we're doing. In just 90 seconds, you can report details of your experience with us which we then use as part of our commitment to continual improvement, so that we ensure that we deliver above and beyond your expectations.

TellServiceMaster as a benefit:

- QUICK and EASY to complete and return
- Reporting system for clients with multi-site locations
- Direct communication tool
- Confidence in a provider that is committed to continual improvement and service betterment

This is where we gather customer feedback. Please answer the questions below.
