

# National colourcoding scheme for cleaning materials and equipment

The colour code below should be adopted for cleaning materials. All cleaning items, for example, cloths (re-usable and disposable), mops, buckets, aprons and gloves, should be colour coded

<p><b>RED</b></p>	<p><b>GREEN</b></p>
<p>Bathrooms, washrooms, showers, toilets, basins and bathroom floors</p>	<p>General areas including, waiting rooms, kitchens, offices and basins in public areas</p>
<p><b>BLUE</b></p>	<p><b>YELLOW</b></p>
<p>Consulting rooms</p>	<p>Treatment and Minor Operations Rooms</p>
